POSTING OFF-CAMPUS

- Please make sure that you ask the business employees if you can post somewhere on their property.
- It would be beneficial to further introduce yourself and your position in the production; mention that you are a student as well. Make a personal connection with the people you are asking a favor of and they’ll be more likely to accommodate your request and less likely to tear it down once you leave.
- Make sure you put up posters yourself. Bring tape and tacks with you for this purpose. Do not depend upon the shopkeeper to hang your poster.
